EXTENDED EVENING HOURS NOW AT CHOICES!

You've asked and we've listened...

Not only are you able to get immediate GYN appointments at Choices, but now with our extended evening hours on Tuesdays you don't have to worry about missing work or school to get needed medical care.

When you've got a problem or suspect you might – urinary tract infection, or even just a concern about something that doesn't seem right – you don't want to wait 4 or 5 weeks to see a gynecologist or wait long hours in an Emergency Room, and you shouldn't have to. Your health is too important – and you don't have extra time to spend finding a doctor who can see you. So call Choices!

There are many ways to make your appointment! Choose what's best for YOU:
